JURY TRIAL DEMANDED

**DEFENDANT, ARCHER DANIELS MIDLAND COMPANY'S, ANSWER AND
COUNTER CLAIMS TO PLAINTIFF'S SECOND SUPPLEMENTAL COMPLAINT**

Defendant, ARCHER DANIELS MIDLAND COMPANY ("ADM"), by and through its attorneys, hereby answers the claims of the Plaintiff, SOLAE, L.L.C., ("Solae"), presented in Plaintiff's Second Supplemental Complaint for Patent Infringement and Jury Demand ("Complaint"), as follows:

1. ADM does not have sufficient information to either admit or deny the allegations, contained in paragraph one, concerning the legal basis for this Complaint, and therefore denies same and leaves Plaintiff to its proof thereof.
2. ADM admits that it is subject to personal jurisdiction in this district. ADM denies that it has committed infringing acts in this district.
3. ADM admits that this Court has exclusive jurisdiction over the subject matter of this action.
4. ADM admits that venue is proper in this Court.

5. ADM does not have sufficient information to either admit or deny the allegations, contained in paragraph five, concerning the place of incorporation of Solae and the business address for Solae set forth therein, and therefore denies same and leaves Plaintiff to its proof thereof.

6. ADM admits the allegations contained in paragraph six of the Complaint.

7. ADM admits the allegations contained in paragraph seven of the Complaint.

8. ADM does not have sufficient information to either admit or deny the allegations, contained in paragraph eight and therefore denies same and leaves Plaintiff to its proof thereof.

9. ADM does not have sufficient information to either admit or deny the allegations, contained in paragraph nine and therefore denies same and leaves Plaintiff to its proof thereof.

10. ADM does not have sufficient information to either admit or deny the allegations, contained in paragraph ten and therefore denies same and leaves Plaintiff to its proof thereof.

11. ADM does not have sufficient information to either admit or deny the allegations, contained in paragraph eleven and therefore denies same and leaves Plaintiff to its proof thereof.

12. ADM does not have sufficient information to either admit or deny the allegations, contained in paragraph twelve and therefore denies same and leaves Plaintiff to its proof thereof.

13. ADM states that the document speaks for itself.

14. ADM denies the allegations contained in paragraph fourteen of the Complaint.

15. ADM denies the allegations contained in paragraph fifteen of the Complaint.

16. To the extent paragraph sixteen of the Complaint alleges that ADM's Novasoy contains more than trace amounts of each of the soy isoflavones daidzein, genistein, and glycitein, their glucosides, and acetyl and malonyl esters, ADM denies the allegations contained in paragraph sixteen of the Complaint.

17. ADM admits the allegations contained in paragraph seventeen of the Complaint.

18. ADM denies the allegations contained in paragraph eighteen of the Complaint.

19. ADM denies the allegations contained in paragraph nineteen of the Complaint.

20. To the extent paragraph twenty of the Complaint alleges that Amerifit's Estroven contains more than trace amounts of each of the soy isoflavones daidzein, genistein, and glycitein, their glucosides, and acetyl and malonyl esters, ADM denies the allegations contained in paragraph twenty of the Complaint.

21. ADM admits the allegations contained in paragraph twenty-one of the Complaint.

22. ADM states that the document speaks for itself.

23. ADM denies the allegations contained in paragraph twenty-three of the Complaint.

24. ADM denies the allegations contained in paragraph twenty-four of the Complaint.

25. ADM denies the allegations contained in paragraph twenty-five of the Complaint.

26. ADM states that the document speaks for itself.

27. ADM denies the allegations contained in paragraph twenty-seven of the Complaint.

28. ADM denies the allegations contained in paragraph twenty-eight of the Complaint.

29. ADM denies the allegations contained in paragraph twenty-nine of the Complaint.

30. ADM repeats the answers set forth above in paragraphs 1-29.

31. ADM denies the allegations contained in paragraph thirty-one of the Complaint.

32. ADM denies the allegations contained in paragraph thirty-two of the Complaint.

33. ADM denies the allegations contained in paragraph thirty-three of the Complaint.

34. ADM denies the allegations contained in paragraph thirty-four of the Complaint.

35. ADM denies the allegations contained in paragraph thirty-five of the Complaint.

36. ADM denies the allegations contained in paragraph thirty-six of the Complaint.

37. ADM denies the allegations contained in paragraph thirty-seven of the Complaint.

40. ADM denies the allegations contained in paragraph forty of the Complaint.

41. ADM denies the allegations contained in paragraph forty-one of the Complaint.

42. ADM denies the allegations contained in paragraph forty-two of the Complaint.

WHEREFORE, ADM prays that this Court enter judgment in its favor against the Plaintiff and deny in the entirety the relief requested by Solae.

Affirmative Defenses

Invalidity

43. Each claim of the '212 patent is invalid under 35 U.S.C. § 102 as lacking novelty; is invalid under 35 U.S.C. § 103 because the differences between the subject matter claimed and the prior art are such that it would have been obvious at the time the invention was made to a person having ordinary skill in the art to which the subject matter pertains; and/or is invalid for failure to comply with the requirements of 35 U.S.C. § 112.

44. Each claim of the '382 patent is invalid under 35 U.S.C. § 102 as lacking novelty; is invalid under 35 U.S.C. § 103 because the differences between the subject matter claimed and the prior art are such that it would have been obvious at the time the invention was made to a person having ordinary skill in the art to which the subject matter pertains; and/or is invalid for failure to comply with the requirements of 35 U.S.C. § 112.

45. Each claim of the '381 patent is invalid under 35 U.S.C. § 102 as lacking novelty; is invalid under 35 U.S.C. § 103 because the differences between the subject matter claimed and the prior art are such that it would have been obvious at the time the invention was made to a person having ordinary skill in the art to which the subject matter pertains; and/or is invalid for failure to comply with the requirements of 35 U.S.C. § 112.

Non-Infringement

46. ADM does not now infringe, nor has it ever infringed, the '212 patent.

47. ADM does not now infringe, nor has it ever infringed, the '382 patent.

48. ADM does not now infringe, nor has it ever infringed, the '381 patent.

Counter-Claim
Declaratory Judgment

49. On information and belief, Plaintiff and counterclaim Defendant, Solae, L.L.C., is a Delaware limited liability corporation, having a principal place of business in St. Louis, Missouri.

50. Defendant and counterclaim Plaintiff, Archer Daniels Midland Company, is a corporation organized under the laws of the state of Delaware with its principal place of business at 4666 Fairies Parkway, Decatur, Illinois 62526.

51. This is an action for declaratory judgment of invalidity, unenforceability and non-infringement of U.S. Patent No. 6,642,212 ("the '212 patent"); U.S. Patent No. 6,664,382 ("the '382 patent"); and U.S. Patent No. 6,680,381 ("the '381 patent") under the patent laws of the United States, Title 35 United States Code.

52. Exclusive jurisdiction over these counterclaims is conferred upon this Court pursuant to 28 U.S.C. § 1338(a). The relief of declaratory judgment is proper under 28 U.S.C. § 2201.

53. A true and actual controversy exists regarding the validity, enforceability, and non-infringement of the claims of the '212 patent, the '382 patent and the '381 patent asserted by Solae against ADM.

54. On November 4, 2003, Plaintiff filed a Complaint (Civil Action Number 03 CV 01595 RWS) against ADM alleging, *inter alia*, that certain products made, used and/or sold by ADM infringe the '212 patent, the '382 patent and/or the '381 patent.

55. Venue is proper in this District pursuant to 28 U.S.C. §§ 1391(b) and (c).

COUNT I - Invalidity of the '212 patent

56. ADM realleges the allegations set forth above in counterclaim paragraphs 49-55.

57. Each claim of the '212 patent is invalid under 35 U.S.C. § 102 as lacking novelty; is invalid under 35 U.S.C. § 103 because the differences between the subject matter claimed and the prior art are such that it would have been obvious at the time the invention was made to a person having ordinary skill in the art to which the subject matter pertains; and/or is invalid for failure to comply with the requirements of 35 U.S.C. § 112.

COUNT II - Invalidity of the '382 patent

58. ADM realleges the allegations set forth above in counterclaim paragraphs 49-55 and 57.

59. Each claim of the '382 patent is invalid under 35 U.S.C. § 102 as lacking novelty; is invalid under 35 U.S.C. § 103 because the differences between the subject matter claimed and the prior art are such that it would have been obvious at the time the invention was made to a person having ordinary skill in the art to which the subject matter pertains; and/or is invalid for failure to comply with the requirements of 35 U.S.C. § 112.

COUNT III - Invalidity of the '381 patent

60. ADM realleges the allegations set forth above in counterclaim paragraphs 49-55, 57 and 59.

61. Each claim of the '381 patent is invalid under 35 U.S.C. § 102 as lacking novelty; is invalid under 35 U.S.C. § 103 because the differences between the subject matter claimed and the prior art are such that it would have been obvious at the time the invention was made to a person having ordinary skill in the art to which the subject matter pertains; and/or is invalid for failure to comply with the requirements of 35 U.S.C. § 112.

COUNT IV - Non-Infringement of the '212 patent

62. ADM realleges the allegations set forth above in counterclaim paragraphs 49-55, 57, 59 and 61.

63. ADM does not now infringe, nor has it ever infringed, the '212 patent.

COUNT V - Non-Infringement of the '382 patent

64. ADM realleges the allegations set forth above in counterclaim paragraphs 49-55, 57, 59, 61 and 63.

65. ADM does not now infringe, nor has it ever infringed, the '382 patent.

COUNT IV - Non-Infringement of the '381 patent

66. ADM realleges the allegations set forth above in counterclaim paragraphs 49-55, 57, 59, 61, 63 and 65.

67. ADM does not now infringe, nor has it ever infringed, the '381 patent.

Prayer for Relief

WHEREFORE, counterclaim Plaintiff ADM requests that this Court:

- A. Enter judgment declaring that U.S. Patent No. 6,642,212 is invalid and unenforceable.
- B. Enter judgment declaring that U.S. Patent No. 6,664,382 is invalid and unenforceable.
- C. Enter judgment declaring that U.S. Patent No. 6,680,381 is invalid and unenforceable.

D. Enter judgment declaring that ADM does not infringe, nor has it ever infringed, U.S. Patent No. 6,642,212.

E. Enter judgment declaring that ADM does not infringe, nor has it ever infringed, U.S. Patent No. 6,664,382.

F. Enter judgment declaring that ADM does not infringe, nor has it ever infringed, U.S. Patent No. 6,680,381.

G. Enter judgment pursuant to 35 U.S.C. § 285 awarding ADM all of its reasonable attorney fees, costs and expenses incurred in defending this action because this is an exceptional case.

H. Award such other and further relief as may be just and proper under the circumstances.

Demand for Jury Trial

ADM demands a trial by jury of all issues so triable as a matter of right.
